REFERENCES

These shall be persons from whom you will solicit recommendations concerning their estimate of your ability, character, emotional stability, interests, and future promise as a leader. One of the references should be a professor well acquainted with your academic qualifications. If you have been out of an educational program context for more than five years, an additional non-academic reference may be used. However, this should come from someone who can evaluate your potential for disciplined graduate study. One of the references should be a person who is acquainted with your spiritual journey such as a pastor, elder or spiritual friend from your local congregation.

1. Name _____ Position _____
Address _____ Phone# _____

2. Name _____ Position _____

3. Name _____ Position _____
Address _____ Phone# _____

If you intend to apply for scholarships, please read page 62 in the current catalogue and submit two additional appropriate references.

STANDARD APPLICATION - PAGE THREE

OCCUPATIONAL/VOCATIONAL GOALS

(You may use additional sheets if necessary)

1. List your significant work experience, both paid and volunteer.

Position

Place

Date

Horizontal lines for writing work experience details.

2. State your occupational and vocational goals as specifically as possible (by occupational we mean how you will earn a living; by vocational we mean "calling"). Then state briefly how you hope to relate your experience at ESR to your goals. It will be helpful if you will include what form(s) you think your ministry will take.

Horizontal lines for writing occupational and vocational goals.

RELIGIOUS BIOGRAPHY

(You may use additional sheets if necessary)

1. What has been your spiritual pilgrimage to date and how would you characterize your central concern in life? (Relating your spiritual pilgrimage to primary relationships in your family of origin and to other significant points of personal development would be most helpful.)

Horizontal lines for writing religious biography.
