Sunday, November 3
8:00 am Breakfast
12:30 pm Lunch

Closing Panel
More than Flyover Country: Arts and Community Renewal in the Midwest

From the work of Walt Whitman onward, the lyric poem has been a mainstay of American poetry, and for good reason: it is a form that lends itself to prioritizing the intimate, the personal, and the spiritual in a manner that eschews dogma and sweeping generalizations. This workshop will focus on the necessary components that comprise a good lyric poem, which includes a defined sense of place, an original narrative voice, and an embrace of the transcendent beauty to be found in life’s daily experiences.

Dr. Paul Kareem Tayyar
Feet on the Ground, Head in the Clouds: Writing the Lyric Poem

Co-sponsored by:
